

Dear All,

Here are the results for today. Thanks to everyone for hitting the deadline of 5:30 when you telephoned your cup result to the **SBYL Results Line on 01494 488137**, and apologies for last week's breakdown.

I am still catching up and will be updating the website for the missing results and league tables (as shown below for some of you) over the next few days, starting with the league tables by tomorrow night.

Looking forward to meeting up with most of you on Wednesday night.

Regards
John Radford
